Special Note: Art Education & Art Integration for Classes I to X:

- (i) Art education will continue to be an integral part of the curriculum, as a co-scholastic area.
- (ii) Art shall be integrated with the Teaching & Learning Process of all academic subjects from classes I to X, to promote active & experiential learning for “connecting knowledge to life outside the school, ensuring that learning shifts away from rote methods & for enriching the curriculum, so that it goes beyond textbooks.”
- (iii) The subject teacher shall pick the topic/concept/idea that he/she wants to teach through integration of art. The topic/concept/idea should be taught ensuring active learning & ensuring that both the subjects and Art are integrated well and there is learning in both areas.
- (iv) A rubric should be prepared by the teacher to assess the student in both areas – that is, the topic taught and the art used. (For more details, kindly refer the SENIOR SCHOOL CURRICULUM, CLASS XI – XII, CENTRAL BOARD OF SECONDARY EDUCATION.)
